Accessing Wi-Fi on Campus

DOWNLOADING COPYRIGHTED MATERIALS IS ILLEGAL AND WILL RESULT IN DISCIPLINARY ACTION (including, but not limited to student dismissal)

***In order to access Wi-Fi on campus, you must first activate your UCInetID.**

- On a device already connected to the internet, go to this website <http://activate.uci.edu>
- Click on the “[Faculty, Staff and Students](#)” option
- **Step 1: Enter in your personal information.**
 - Enter your Student ID number in the first box. The 9-digit number is assigned by University Division of Continuing Education. The number is preceded by three “0”s. For example: “000123456”.
 - Enter your date of birth in the second box using this format: MMDDYY (two-digit month, two-digit day, two-digit year)
 - Example: If your birthday is March 30th, 1981, you would type in 033081
 - Leave the last box empty (Social Security box).
- **Step 2: Create a good password.**
 - Follow the guidelines provided when choosing a password.
 - Your password must be at least 8 characters with at least one number that is not at the beginning or end of your password.
 - Password should not contain personal information such as: Name or ID number.
 - Enter your password in both spaces provided. **DO NOT FORGET YOUR PASSWORD.**
- **Step 3: Choose a password security question and answer.**
 - Choose one of the password reset questions from the drop-down menu.
 - Enter the answer to this question in both spaces provided.
- **Step 4: Read and accept the UCI Computer & Network Use Policy.**
 - Click on “[UCI Computer & Network Use Policy](#)”
 - Read the policy page that pops up.
 - If you agree to follow the UCI Computer & Network Use Policy, click on the gray box that says, “Yes, I Agree. Activate my UCInetID”

Remember your UCInetID and Password!

- In the event you receive an error message, follow these steps:
 1. Try signing up using a UCI library or computer lab computer
 2. Check that you are entering all information correctly
 3. Direct your problem to the Office of Information Technology (OIT) at (949) 824-2222 or visit their office at Aldrich Hall, First Floor
 4. Visit the Student Life & Activities Staff
- You can access wireless internet once you have activated your UCInetID. Visit www.oit.uci.edu to register your device to the campus Wi-Fi (if not automatically prompted).

If you receive a message asking you to register your phone by providing your MAC address,

1. Check the MAC (Wi-Fi) Address of your phone by looking at your device settings. The MAC address should be given in the format XX:XX:XX:XX:XX:XX
2. Using a device that is already connected to the Internet, visit <http://www.oit.uci.edu/mobile/registration/>
3. Click “2. Manual Registration” and then click “**Register or De-register your MAC address**”
4. Login with your UCINetID.
5. Enter a name for your device (any name is fine), the MAC Address, select your device type, then press “Register.” Your device should now be able to use Wi-Fi on campus.

If you have problems following these steps, please visit the Student Life & Activities Office for help.
